Re: Unauthorized Use of Studio Ghibli Intellectual Property – Cease and Desist

Dear Gib Studio LLC,

We are legal representatives of Studio Ghibli, Inc. ("Studio Ghibli"), the world-renowned animation studio responsible for original motion pictures such as Spirited Away, My Neighbor Totoro, Princess Mononoke, and others. Studio Ghibli is the exclusive owner of all associated intellectual property rights, including visual style, character likenesses, thematic elements, and trademarks.

It has come to our attention that your company has developed and publicly launched an application under the name "Gib", described as "a photo sharing app that turns all photos into Studio Ghibli style images." This product appears to heavily borrow from Studio Ghibli's artistic style, branding cues, and thematic presentation, and it references our studio by name in marketing and promotional materials.

Please be advised that this constitutes unauthorized use and misappropriation of Studio Ghibli's copyrighted works, trade dress, and brand name, and it is likely to cause confusion among consumers regarding endorsement, sponsorship, or affiliation — none of which exist.

Accordingly, we demand that you:

1. Immediately cease and desist all use of the Studio Ghibli name, references to its style, characters, or films in all promotional, descriptive, or functional aspects of your app or business;
2. Terminate the availability and distribution of the app "Gib" in all platforms, including but not limited to the Apple App Store, Google Play, and any third-party marketplaces;
3. Remove or take down all marketing materials, websites, and social media content that reference Studio Ghibli or utilize similar visual elements;
4. Provide us with written assurance within seven (7) days of the date of this letter confirming your compliance with the above demands.

Failure to comply will leave us no choice but to pursue legal remedies, including seeking injunctive relief, statutory and actual damages, and attorneys' fees, without further notice.

This letter is not intended to be a complete statement of Studio Ghibli's rights, all of which are expressly reserved.

Sincerely,
Sakura & Hoshino LLP
